

# Fifth Grade

"Providing child-centered education as we celebrate who our students are in Jesus."

## Readiness. Relational.

At Casas, we believe no child is better than or less than; they are all valuable, loved, and created for a purpose. Our teachers give students the time, encouragement, and tailored instruction they need to master skill when they are ready for them.

Our Fifth Grade program is uniquely designed to identify and teach to each student's readiness level across all content areas. Students will be engaged in active, meaningful and relevant learning through large and small groups, as well as individual instruction.

Casas Christian School's whole child approach aims to develop the whole child spiritually, emotionally, and academically. Teachers use a variety of movement activities, visuals, songs, technology, and creative projects, as well as enrichment, hands-on manipulatives, collaborative learning experiences, and targeted instruction.

### Events & Field Trips

Fifth Grade captures the wonder and excitement of learning through field trips and special themed days, including Tucson Liberty Festival, Prescott Pines Camp, Mission Projects, and more!

### Specialist Classes

Art            Music  
Spanish      PE  
Digital Literacy

## Instructional Content Areas and Primary Grade Level Resources

**Bible:** Daily time discovering God through worship, hands-on activities, projects, reflection and more!

**Reading/Language Arts/Writing:** McGraw-Hill Open Court (Structured Literacy Program); Learning Ally; Freckle

**Math:** Go Math; Reflex Math, Freckle

**Science:** FOSS (Earth & Sun, Energy, Environments, Living Systems, Mixtures & Solutions, Soils, Rocks & Landforms)
